Beers from the Seven Kingdoms

If you climb to the top of Snaefell, so they say
And, if **Mannanan** lifts his cloak away
Then there are **Seven Kingdoms** or realms to view
And **our aim** is to have beer from each, for you!
Now the **Kingdoms** of **England** and **Scotland** and **Wales**
As we all know, produce thousands of different ales
And though the **Kingdom of Ireland** is much less prolific
We're sure you'll find something that tastes terrific.
Our own **Kingdom of Mann** can be proud of her brews
And of those we will offer a selection or two
But what of the **Kingdom of Neptune** you ask?
Surely that's an impossible task?
Well, at the risk of inviting your indignant fury
What about something from the ***Titanic Brewery?***
Contrived, I know, but what of the seventh?
God knows what we'll have from the **Kingdom of Heaven!**
